

HOW TO DRAW CARTOON PEOPLE – 7

Collars and Lapels

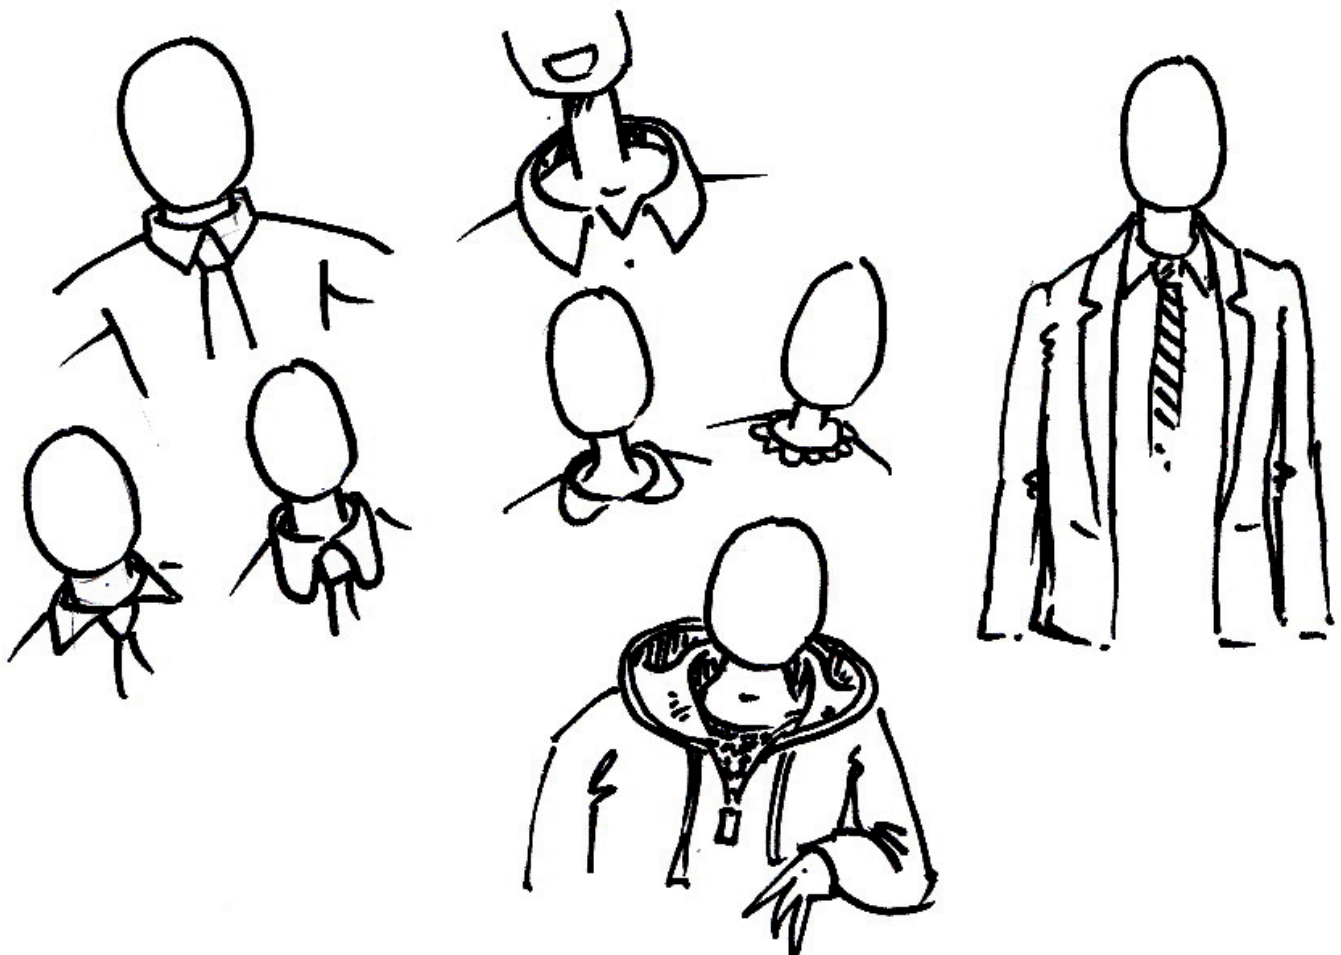

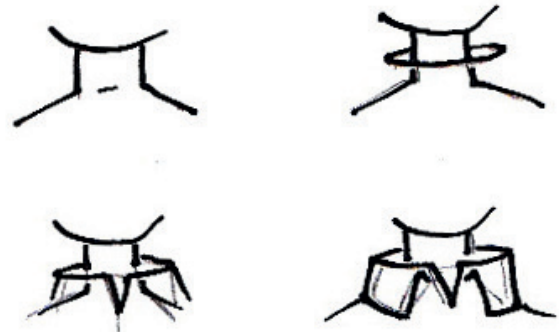

Here are the drawings from the video.

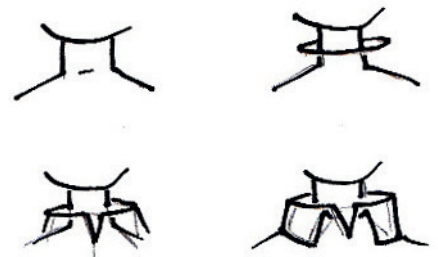

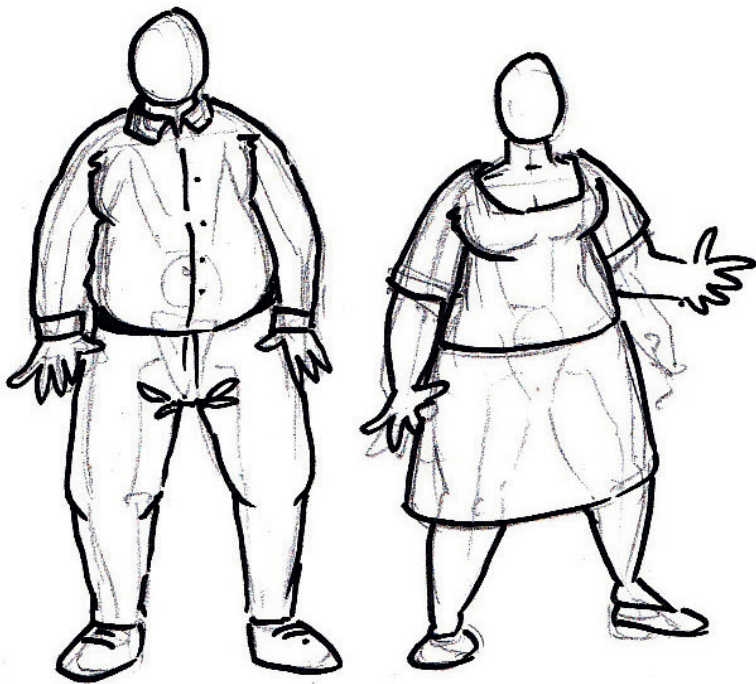

Remember that a shirt collar sticks up almost vertically as it surrounds the neck. It's main use is to fold over and cover the tie underneath.

Jacket lapels are almost as high as the collar at the back.

Find or subscribe to some mail order fashion catalogues they are an invaluable source, you may find yourself on a list though and get hundreds more delivered through your letterbox!

As ever... Practice! Practice! Practice!

Bulky clothes work the same way, draped over the body frame.
