

# Cones and Pyramids

Carefully cut out the cone shape.  
Score and fold the dashed lines,  
then glue together to make a  
model cone.

Carefully cut out  
the pyramid shape.  
Score and fold the  
dashed lines, then  
glue together to make  
a model three-sided  
pyramid.

# Cones and Pyramids

Carefully cut out the pyramid shape. Score and fold the dashed lines, then glue together to make a model four-sided pyramid.
